Welcome to

Kerala Ayurveda Academy

OUR MISSION: To integrate traditional Ayurvedic wisdom and healing with scientific research.

OUR PURPOSE: To serve as an authentic source of Ayurvedic education, research and community health care.

OUR COMMITMENT: To bring the highest caliber of academic excellence to the US and abroad.

Kerala Ayurveda Academy (KAA) invites you to embark on a journey into the world of Ayurveda, where you will discover a profound potential for health and well-being offered by a time-proven, harmonious and holistic healthcare system.

Healthcare in the United States is changing. Health science has evolved to encompass our beliefs, emotions, behavior, thoughts, family and cultural systems, as well as the environmental context in which we live. All of these elements are relevant to our health. Ayurveda is a 5,000-year-old Indian system of healing that encompasses these aspects while offering solutions to achieve harmony at the level of Body, Mind and Spirit. Join us to become involved with this pioneering work that is transforming our healthcare industry into a more current model of holistic health care.

Kerala Ayurveda Academy is committed to offering the highest quality of education and services to our students so that they become the finest Ayurvedic health practitioners and educators for the future. Our aim is to maintain the authenticity of Ayurveda in the United States.

The curriculum is based on an Ayurvedic educational curriculum from Indian universities and is both academically challenging and rewarding. Students will find studying at Kerala Ayurveda Academy intellectually stimulating and competitive. The programs encompass all fields of Ayurveda including Ayurvedic philosophy, herbology, psychology, Ayurvedic Dosha imbalance management, research, clinical practice and clinical application.

We have assembled the most qualified and experienced faculty to teach Ayurvedic principles. Most faculty members have Ayurvedic degrees from prestigious universities in India and 15 to 30 years of clinical experience. With Kerala Ayurveda Academy, feel assured that you will receive an authentic Ayurvedic education. The program coordinators at each location are supportive and eager to assist students in any way possible.

We congratulate you on your decision to become part of an inner circle of Ayurvedic healers who promote healing and Life.

AYURVEDA: THE SCIENCE OF LIFE

Kerala Ayurveda Academy invites you on a great life adventure...

Kerala Ayurveda Academy is the first institute in the US to provide authentic Ayurvedic programs throughout the country. We currently offer in person training in the state of California plus online learning for students across the globe.

Ayurveda and Yoga are 5,000-year-old sister sciences and belong to the world's oldest known, most well-documented healthcare system. Ayurveda, the science (Veda) of life (Ayur), balances the body and mind using natural therapies and herbal medicines. Yoga, the science of mind, brings balance and purity to the body. The two complement each other and together achieve harmony of the body, mind and spirit, which is the essence of true health.

Knowledge of Ayurveda in today's world is essential as it aims to preserve health and prevent of disease by establishing balance and harmony through nutrition, herbs, meditation and daily routines. Ayurvedic science provides knowledge to unfold the reality beyond the physical body and access the infinite power of the subtle energetic fields. The World Health Organization recognizes Ayurveda as a complete natural healthcare system.

Now is the perfect time for Ayurvedic graduates to embark on a professional journey. They have a unique opportunity today to lead successful lives by assisting family, friends and clients in creating healthier bodies, minds and communities, lowering healthcare costs and supporting our entire planet.

“My experience... has been nothing short of wonderful... Educational, enjoyable, practical and indispensable...I watched my relationship with family, friends and myself blossom to levels I never could have imagined. KAA has taught me that Ayurveda is truly a way of life, a balanced life and a better life.” –Kari

PROFESSIONAL POSSIBILITIES WITH AYURVEDA*

- **All Graduates** can start a wellness business or align with other wellness professionals to create an integrative practice.

Every year, Kerala Ayurveda Academy donates a portion of its proceeds to The Asha Foundation.

LOCATION

Milpitas, CA

Kerala Ayurveda Academy & Wellness Center

691 South Milpitas Blvd Suite 206

Located in San Francisco South Bay and eight miles from the San Jose Airport, our flagship location consists of a spacious classroom for lectures, dynamic conference and auditorium rooms, consultation and Panchakarma rooms, and a library. Amenities include free wifi and ample parking

space. The center is located within walking distance of restaurants and health clubs. Our Student Support team can provide more information and local guidance for planning your visit.

IN PERSON & ONLINE LEARNING

All our courses include a combination of in person and online learning. Online learning is conducted through live streamed classes via Zoom and self-paced learning & resources in our robust elearning platform by TalentLMS.

Initially, I was wondering if the online learning program is a good enough format to transmit such a complex knowledge as Ayurveda, but thanks to Dr. J and his crew, his promise became more than true. Doing the [Counselor program] (online) has been the best decision ever. -Nadja

The Ayurvedic Study Journey

It's our goal at Kerala Ayurveda Academy to provide all available levels of professional education – in alignment with the most current industry standards, and in a progressive format so you can upskill at an achievable pace. This catalog includes detailed information on the first three levels of Ayurvedic Training: **Holistic Ayurvedic Coach (HAC)**, **Ayurvedic Health Counselor (AHC)** and **Ayurvedic Practitioner (AP)**. If you would like more information on the Ayurvedic Doctor or the Panchakarma Technician programs, please visit our website at www.keralaayurveda.us.

TRAINING LEVELS

Our programs build upon one another for cumulative learning so you can achieve the highest level of Ayurvedic education available in the US.

COACH – HAC <i>Not NAMA-approved*</i>	Counselor – AHC Level I*	Practitioner - AP Level II*
<p>300 Hours – 6 months</p> <p>All Online & Hybrid Track Options</p> <p>First 6 modules are transferrable to AHC</p>	<p>600 Hours – 1 Year</p> <p>All Online, Hybrid & NAMA Track* Options</p>	<p>910 Hours – 1.5 Years</p> <p>Hybrid & NAMA Track* Options</p>

***The National Ayurvedic Medical Association (NAMA) sets competency standards for professional Ayurvedic education. HAC is not NAMA-approved as its hours are below the first level benchmark set by NAMA for Ayurvedic professional education. NAMA Formats of AHC and AP are the only program versions which meet NAMA’s competencies required by NAMA for our program graduates to be eligible to take the NAMA Board Exam offered by NAMA’s Board Certification (NAMACB). All Online & Hybrid students may transition to the NAMA format at an additional cost.**

■ Holistic Ayurvedic Coach (HAC)

Prerequisite: High School Diploma or Equivalent

The Holistic Ayurvedic Coach program offers an authentic introduction to Ayurveda and how it can be practically applied to an individual’s life for self-improvement or career enhancement, including fundamental principles of Ayurveda, Ayurvedic physiology and psychology, nutrition, Yoga, lifestyle and seasonal protocols. The entire HAC program is the first six modules of the level I Ayurvedic Health Counselor program, which allows the HAC student an opportunity to seamlessly transition into AHC.

■ LEVEL I - Ayurvedic Health Counselor (AHC)

Prerequisite: High School Diploma or Equivalent • Corequisite: Anatomy & Physiology

The level I Ayurvedic Health Counselor program builds on the HAC program topics

listed above by offering study modules focused on Ayurvedic herbology, an introduction to Panchakarma detoxification, as well as disease pathology and management. Upon graduation an AHC can determine and analyze body constitution, conduct Ayurvedic lifestyle consultations, and offer guidance on daily routines, Ayurvedic therapies and home remedies.

■ LEVEL II - Ayurvedic Practitioner (AP)

Prerequisite: Level I AHC • Corequisite: Anatomy & Physiology

After completing AHC, students are eligible for the level II Ayurvedic Practitioner program in which all the key clinical concepts are explored more deeply. Students learn the etiological factors contributing to the nature and structure of disease as well as management techniques.

TRAINING LEVEL TRACKS

We offer three tracks for our programs: All Online, Hybrid and NAMA. These tracks are designed to offer maximum flexibility to students who choose the All Online or Hybrids tracks, as well as a track which meets the requirements to take the Board Exams offered by the National Ayurvedic Medical Association Certification Board (NAMABC). Students who complete the All Online or Hybrid Tracks for AHC and AP have an opportunity to transition to the NAMA Track at an additional cost.

NAMA AND PROFESSIONAL MEMBERSHIP

Our Academy aligns with the National Ayurvedic Medical Association (NAMA), the largest Ayurvedic organization in the US, to provide industry standards. Ayurveda is not currently licensed as a medical practice in the US, and one of NAMA's goals is to make licensure possible.

NAMA association by schools, and membership by students and professionals, are all optional. KAA opts into this alignment as we believe that standardization of the profession and licensure offers benefits to professionals as well as clients, making Ayurveda more accessible.

We are associated with NAMA in the following ways:

1. As an Organizational Member.
2. Some of our training programs are NAMA-approved, which means that graduates of these programs qualify to sit for the National Ayurvedic Medical Association Certification Board (NAMACB) certification exams. The NAMACB certification
3. We sponsor NAMA's annual conference and attend as an exhibitor

NAMA-approved Programs and Professional Membership

The following programs are approved by NAMA for professional membership. Please note that only the NAMA Track of Level I and Level II programs are NAMA-approved. Students of Online or Hybrid Tracks must complete additional in person hours, at an additional cost, to meet NAMA Track requirements.

[For more information](#) please see the individual Program Overviews in this catalog on transitioning to the NAMA Track.

NAMA Professional Membership Level	Kerala Ayurveda Program
Level I: Ayurvedic Health Counselor	Ayurvedic Health Counselor – NAMA Track <i>*All Online and Hybrid Tracks are not NAMA-approved.</i>
Level II: Ayurvedic Practitioner	Ayurvedic Practitioner – NAMA Track <i>*Hybrid Track is not NAMA-approved.</i>
Level III: Ayurvedic Doctor	Ayurvedic Doctor (see our separate Ayurvedic Doctor course catalog)

We encourage our students and faculty to explore what NAMA offers. Students do not have to wait until graduation to sit for the NAMACB certification exam and apply for Professional Membership. They can join at the Student Membership level.

Faculty

Kerala Ayurveda Academy's mission is to offer authentic Ayurvedic courses by experienced Ayurvedic Doctors. Many of our faculty members are established Ayurvedic physicians who have received degrees from renowned universities in India – the “Holy Land” of Ayurveda – and have more than 15 years of experience in Ayurvedic practice and teaching. Faculty are eager to share and hand over this ancient wisdom to our enthusiastic students.

Kerala Ayurveda Academy is passionate about your success and increasing knowledge. The staff and instructors truly care about you as a person and future practitioner. Their community minded approach makes the student experience unique and vital. –Heather

As I complete my [Counselor] program, I realize how much my life has been impacted by the authentic, sincere, and expert guidance of the Vaidya-ji's, mentors, and support staff. I am confidently and eagerly looking forward to continuing my Ayurvedic journey at Kerala Ayurveda Academy. –Debmalya

*[Vaidya. Jayarajan's] method of teaching was very organized and thorough. I thank him for being so passionate about Ayurveda; he is truly an inspiration
–Bobby*

I really enjoyed and appreciated the high level of interaction Rucha Kelkar provided... her teaching was fantastic... and inspiring! – Anonymous

*I appreciate the way Dr. Kanya teaches... she usually comes up with a little exercise at the end to apply the knowledge that we are learning. It helps with the understanding of how we will apply what we're learning in real life.
–Bernadette M.*

I just love that in such a short time, I have much more understanding of content in the classes [Dr. Sheena] teaches. –Anonymous

What I trust most about this school is the level of faculty and staff member commitment. There is a true sense of family with students supporting each other in learning this great science. I'm really happy to be a part of it. –Izumi

*I am a proud graduate.... I can truly say that the timeless science of Ayurveda along with the brilliant panel of teachers at KAA, have influenced me greatly.
–Karen*

I'd like to express my high regard for the Academy. Their course curriculum is authentic, classical Ayurveda, taught by instructors with competence in passing on their deep wisdom and understanding of Ayurveda. –Renee

WEEKEND INTENSIVES

KAA 101 | The Essence of Ayurveda (Tarka Sankhya and Sharir)

Begin your education with an introduction to the 5,000-year-old history and philosophy of Ayurveda. The three universal energies (Doshas) and five fundamental elements (Mahabhutas) are the starting point for any Ayurvedic student. This leads to an understanding of the 20 foundational qualities of life (Gunas), the key to health. The application of these guiding principles will also be covered as it relates to the concepts of physiological disposition (Prakruti), imbalance (Vikruti) and Dynamic Balance. Additional topics include:

- The fundamental tenets of an effective Ayurvedic health program
- The universe and humanity's place within it: An Ayurvedic View
- The cosmology of the soul
- Comprehensive introduction to basic Ayurvedic concepts: Doshas, Dhatus, Malas, Marmas, Asthis, Sandhis, Srotas.

KAA 102 | Ayurvedic Physiology (Dosha Dhatu Mala Vigyan)

Ayurvedic Physiology is designed to describe the subtle energies and foundational structures of the human body. Ayurveda explains the formation and structure of the seven tissues of the body in detail. This course will cover the details of these seven tissues and offer a deeper look into how they work cohesively to form the structure and function of the human body. Additional topics include:

- The 15 subtle energies of the body (Subdoshas), their locations, qualities and importance in health
- Natural wastes and their functions
- The essence of life that is responsible for vigor and youthfulness (Ojas), as well as how it is regenerated and preserved.

KAA 103 | Ayurvedic Psychology (Manasa Shastra)

Ayurvedic Psychology offers a fascinating look into the psychology of the human being from a cosmological and energetic perspective. This course will cover the three Gunas and how they are fundamental for understanding the mind and emotions. Additionally, the Ayurvedic study of how energy moves through the body is powerful and important to fully understand holistic human health. This course will cover the chakras and how to keep them healthy as well as the physical energy centers (Marmas) and their role in health and disease. Additional topics include:

- The psychological energies (subtle Doshas), their function, location and origin
- Kundalini energy and the mechanics of vital living
- The nature and aspects of the mind and how it functions and operates
- Meditation and Pranayama (breathing techniques).

KAA 104 | Ayurvedic Nutrition & Cooking (Ahara Vigyan)

Ayurvedic Nutrition & Cooking places an emphasis on foods that ground the soul, nourish the body and delight the senses. This is a fun course with in person cooking demonstrations teaching how to prepare simple, nutritious and sensually gratifying meals. Ayurvedic cooking is aimed towards pleasing all five senses and experiencing all six tastes. This course will also review

techniques for maximum nutrient absorption and explain how that relates to a balanced digestive system. Additional topics include:

- The mechanics of satiation and its relationship to the tastes and senses
- When, where, what and how to eat
- The definition of health
- Chaturvidha Ahara, Shatrasas, Ahara Vidhi Vishesha, and the Guna Karma of spices.

KAA 105 | Ayurvedic Prevention Science (*Swastha Vritta*)

Ayurvedic Prevention Science provides a comprehensive blueprint for daily and seasonal living to maintain optimal health, year-round. This can be done by learning the ideal Ayurvedic daily routine (*Dinacharya*) to live a balanced life and maximize effectiveness of your efforts. Additional topics include:

- Seasonal routines to maintain health and prevent allergies and seasonal infections
- Ways to stay healthy year-round by supporting a strong immune system
- How a modification or change in your daily routine according to the season will impact your health.

KAA 106 | Ayurvedic Yoga (Yoga Vigyan) and Clinical Practice (3 days)

Ayurvedic Yoga will focus on understanding the principles of Yoga in connection with the Ayurvedic concepts. The course will begin with a detailed understanding of the eight limbs of Yoga and the koshas in connection with Yoga and Ayurveda. This course will also teach students how to customize each yoga practice based on the individual's constitution. Additional topics include:

- How Yoga and Ayurveda combined can create the foundation for a transformed experience of living
- Yoga and Ayurveda to deepen your spiritual practice
- Pranayama and meditation techniques.

1-DAY CLINICAL PRACTICUM

This small group practical provides the opportunity to practice clinical techniques with supervised guidance, honing coaching skills utilizing all the tools learned thus far.

TUESDAY VIRTUAL CLASSES

Virtual Classes covers topics in alignment with the upcoming or recent Weekend Intensive. These sessions offer students opportunities to explore topics raised in the Weekend Intensives in more depth, such as *Doshas* (one of the core principles of Ayurveda), *Ahara* (the inputs of life) and *Dinacharya* (daily and nightly rituals).

GROUP MENTORING SESSIONS

Each session is conducted by a KAA Student Mentor and focuses on a topic related to the Weekend Intensive curriculum and assignments. There will be ample time for questions and interactions.

ONLINE RECORDED LECTURES

Online Recorded Lectures are included in each monthly module, covering topics in alignment with the Weekend Intensives to reinforce key concepts. Students may watch recorded lectures at their own pace throughout the month. Each individual lecture is equivalent to approximately 1-2 hours in length.

ASSIGNMENTS

To fully integrate the role of the Holistic Ayurvedic Coach, assignments are included in the HAC program. The assignments build upon each module of learning and one another. They include:

Personal Transformation Journey

Healing begins right at home for the healer. When we learn to work with Ayurveda to bring healing to our own lives, we are able to ground our knowledge in first-hand experience and better support others in doing the same. This assignment involves a self-assessment and experiential process of implementing the Ayurvedic principles and practices learned in class.

Ayurvedic Constitution Assessments

Each student will conduct in person (or via video conference) one-on-one Ayurvedic Constitution Assessments with ten (10) people utilizing intake forms provided by KAA to practice skills in client interactions, assessment and documentation.

Clinical Consultations

Students will follow two (2) clients from KAA module 102 through 105, beginning with consultations and progressing with assessment and counseling based on the topics covered each month. This offers the student the ability to build upon all the learning to create a case study approach.

PRETESTS & TESTS

Pretesting and testing are associated with each monthly course module to supplement student learning throughout the program.

Ayurvedic Health Counselor (AHC)

600 HOUR TRAINING PROGRAM

The Ayurvedic Health Counselor (AHC) training program is based on the first goal of Ayurveda - *Swasthasya Swasthya Rakshanam* - to preserve the health of a healthy person. Students will gain the tools necessary to restore and preserve health and prevent disease. These tools include a comprehensive nutritional education (*Ahara*), daily routines and practices to maximize health (*Vihar*), as well as a clear understanding of the mind and thought processes (*Vichara*) and their relationship to well-being.

Upon successful completion of the AHC course you will be awarded an Ayurvedic Health Counselor Certificate.

Program Overview

PREREQUISITES

- Students must submit a high school diploma or equivalent prior to enrollment.
- It is important for Ayurvedic students of professional programs to have adequate knowledge of Anatomy and Physiology (A&P). The equivalent of 4 college level Anatomy & Physiology credits are required. It's not required to complete the A&P course prior to enrollment in this course; it is a graduation requirement that can be taken as a corequisite, alongside this course. If you need to satisfy the A&P corequisite, we offer a partner course you can take entirely online. Students are required to provide proof of A&P course completion to receive their certificate of completion. To learn more about our partner course or submit your corequisite documentation, [visit our website](#).

- The structure of state and national practice regulations and the state of Ayurvedic affairs in the United States.
- The future of Ayurveda in the United States.
- Tools, tips and spreadsheets to help you run your business.

AHC PRACTICAL IMMERSIONS

These intensives focus on the main Ayurvedic Lifestyle recommendations and are taught under the guidance of an Ayurvedic Doctor (*Vaidya*).

AHC Practical Immersion 1 (coincides with KAA 107)

This 5-day practicum (including weekend module KAA 107), covers Ayurvedic cooking, herbology and a detailed review of the client intake process. It covers how to utilize information from the healthy history intake, principles and practice of individual constitution (Prakriti) assessment, plus guided counseling with live cases.

AHC Practical Immersion 2 (coincides with KAA 111)

This 5-day practicum (including weekend module KAA 111) reviews the process from client intake through final recommendations. It offers many practice sessions with live case consultations, and exploration of the practical ways in which this training can be implemented.

Required in person attendance for NAMA Track. Online & Hybrid students may attend future sessions to meet NAMA Track requirements.

***For more information:* see AHC Attendance Policy, Practical Immersion Policies, Tuition and Fees.**

1-DAY CLINICAL PRACTICUM

A small group practical setup provides the opportunity to practice clinical techniques with supervised guidance, honing counseling skills utilizing all the tools learned thus far.

TUESDAY VIRTUAL CLASSES

Tuesday Virtual Classes are offered live approximately twice per month, covering topics in alignment with the upcoming or recent Weekend Intensive. These sessions offer students opportunities to explore topics raised in the Weekend Intensives in more depth, such as *Doshas* (one of the core principles of Ayurveda), *Ahara* (the inputs of life) and *Dinacharya* (daily and nightly rituals).

MONDAY VIRTUAL CLASSES

There are six Monday Virtual Classes. These sessions will cover topics on Business and Ethics.

ONLINE RECORDED LECTURES

Online Recorded Lectures are included in each monthly module, covering topics in alignment with the Weekend Intensives.

Ashtanga Hridayam

Part 1: The Quest for Longevity: Foundational Principles of Ayurveda

Part 2: Daily Regimen for Health and Longevity

Class recordings of the first two sessions of our *Ashtanga Hridayam* online series (offered live twice per year) are included in the Online Recorded Lectures to provide students with a rich learning experience straight from the Vedic texts. *Ashtanga Hridayam* is one of the most commonly used root texts of Ayurveda today. Composed in a beautiful poetic format called *Sutras* for easy memorization by practitioners, each line of the text is filled with practical information. Students learn the text line-by-line, how to chant the Sanskrit and understand the deeper meaning behind the principles.

NAMA TRACK: AHC CLINICAL INTERNSHIPS

AHC Clinical Internships include clinical consultations, which are a combination of observing the faculty conducting a consultation and student-conducted in person consultations under faculty supervision. The goal of this training is to reinforce learned concepts with applied applications in a clinical setting, with many opportunities to ask questions and receive mentored guidance.

Online & Hybrid students must attend future sessions to meet NAMA Track requirements. For more details, see: AHC Attendance Policy, Practical Immersion Policies, Tuition and Fees.

ASSIGNMENTS

To support your development as an Ayurvedic Health Counselor, assignments are included in the AHC program which build upon each module of learning, and each another.

Personal Transformation Journey

Healing begins right at home for the healer. When we learn to work with Ayurveda to bring healing to our own lives, we are able to ground our knowledge in first-hand experience and better support others in doing the same. This assignment involves a self-assessment and experiential process of implementing the Ayurvedic principles and practices learned in class.

Ayurvedic Constitution Assessments

Each student will conduct in person (or via video conference) one-on-one constitution assessments with ten (10) people utilizing intake forms provided by KAA to practice skills in client interactions, assessment and documentation. This assignment is completed during the HAC portion of your program.

Clinical Consultations

Students will follow two (2) *Rogis* (clients) throughout the program until KAA 111, beginning with consultations and progressing with assessment and creating guidance based on the topics covered in each month. This offers the student the ability to build upon all the learning to create a case study approach.

Chikitsa Protocols

Students will be provided five (5) case papers for review and development of a comprehensive Ayurvedic chikitsa protocol to demonstrate the cumulative skills learned in case evaluations from the previous two assignments.

Research Project: Community Health Presentation OR Research Paper

Student has the choice of a Community Health Presentation or Research Paper.

Community Health Presentation Description

Students will prepare a 1-1.5 hour presentation for a group in the community on an approved topic of student's choice. Students may host and organize the event for personal contacts or offer in conjunction with a greater organization (e.g., a Yoga studio), or arrange to deliver this presentation at an office, school or other place of business.

OR

Research Paper Description

Students will prepare a 5–7-page paper on an approved topic within the scope of practice as an Ayurvedic Health Counselor.

PRETESTS & TESTS

Pretesting and testing are associated with each monthly course module to supplement student learning throughout the program.

Ayurvedic Practitioner (AP)

910 HOUR TRAINING PROGRAM

The Ayurvedic Practitioner (AP) program is based on the second goal of Ayurveda—*Aaturasya Vikara Prashamanam* (disease management). At this level, the emphasis is on gaining a deeper understanding of the disease process and management techniques at its various stages. Students will gain a deeper understanding of Ayurvedic concepts and techniques.

Upon successful completion of the AP Program you will be awarded an Ayurvedic Practitioner Certificate.

Program Overview

PREREQUISITES

- Completion of the Ayurvedic Health Counselor (AHC) or an equivalent program. AHC graduates can enter the AP program directly. Students who have completed a program equivalent to the AHC from other institutions will be required to undergo an interview process to determine their competency in Ayurvedic principles and practices.
- It is important for Ayurvedic students of professional programs to have adequate knowledge of Anatomy and Physiology (A&P). The equivalent of 6 college level Anatomy & Physiology credits are required. It's not required to complete the A&P course prior to enrollment in this course; it is a graduation requirement that can be taken as a corequisite, alongside this course. If you need to satisfy the A&P corequisite, we offer a partner course you can take entirely online. Students are required to provide proof of A&P course completion to receive their certificate of completion. To learn more about our partner course or submit your corequisite documentation, please [visit our website](#).

Hybrid students may transition to the NAMA Track with additional in person training hours, at an additional cost.**

Curriculum

The Ayurvedic Practitioner training program covers both theoretical and practical training, including a blend of online learning, in person hands-on training experience, clinical encounters and self-paced assignments. Live classroom sessions and hands-on practicums are supplemented by online recorded lectures on our elearning platform.

LEARNING MATERIALS & RESOURCES

- **Course manuals:** digital manuals are provided for each Weekend Intensive module. Print manuals are available for an additional cost.
- **Elearning:** learn anytime, anywhere, at your own convenience on your own computer. Our AP training program content is made available to students online via our elearning platform powered by TalentLMS. Elearning provides access to course information, live class recordings, assignments, online recorded lectures, course manuals, class slides, pretests and tests.

MENTOR PROGRAM

Students have access to an AP graduate or AD student mentor who is supervised by an Ayurvedic Doctor (*Vaidya* - BAMS). Student Mentors can be contacted via the elearning platform to review and grade assignments and are also available to assist with questions during studies.

AP CLINICAL INTERNSHIP

For more information see the AP Clinical Internship section

THURSDAY VIRTUAL CLASSES

Thursday Virtual Classes are offered live approximately twice per month, covering topics in alignment with the upcoming or recent Weekend Intensive. These sessions offer students opportunities to explore topics raised in the Weekend Intensives in more depth, such as Clinical Management of *Ama*, Pain Management in Ayurveda and *Samprapti* & Case Papers.

ONLINE RECORDED LECTURES

Online Recorded Lectures are included in each monthly module, covering topics in alignment with the Weekend Intensives.

MONTHLY REVIEW SESSIONS

These sessions are held after the weekend intensive modules to review the content covered in the previous intensive class. There will be time for review, questions and discussions on the class content.

CLINICAL CASE DISCUSSIONS

This program is dedicated to interactive reviews of clinical conditions, including cases submitted by participants. It is an opportunity for students to receive feedback on live cases and collaborate with fellow Ayurvedic Practitioners and AD students on protocol development. Note: if there are no participant-submitted cases for a session, the faculty member will provide cases for review.

VEDIC FORMULATIONS: CLINICAL APPLICATIONS

One of the important skills of an Ayurvedic Practitioner is the ability to select the right herbs and formulations for an individual's constitution and imbalances. In these recordings, you will learn the most commonly used and effective Vedic formulations as documented in the classical texts. The class will cover multiple formulations and single herbs. Students receive an overview of the formulation, contents of the formulations, method of preparation, specific indications, dosage forms, and appropriate adjuvants. Part one of this series is included as a recording and quiz in your AP Program in your elearning platform.

ASHTANGA HRIDAYAM

The Ashtanga Hridayam, the "Heart or Essence of all the Eight Branches of Ayurveda," is one of the primary ancient root texts of Ayurveda. Today, the Ashtanga Hridayam continues to serve as a root source for Ayurvedic philosophy and protocol, providing clear guidelines in all aspects of health.

As an Ayurveda student, it is important to use the authentic teachings of the ancient Vedic texts. As part of your AP training, the recordings of Parts 3 -7 of our Ashtanga Hridayam series are included.

ASSIGNMENTS

Individual Clinical Consultations

Chikitsa Consultations: each student will complete 2 Clinical Consultations (120 minutes) for each module KAA 205-209 and 1 follow-up session (60 minutes).

Assignments: choose one of the following:

A) Community Health Education Assignment

Students will prepare a presentation for a group in the community. They may organize this presentation themselves and invite the public or arrange to deliver this presentation at an office, school or other place of business. This presentation should run two hours in length and be delivered on a topic of interest to the group.

Approximately 12 hours of preparation should go into the presentation's preparation and planning, and 2 hours of uninterrupted delivery (i.e., the student is the main presenter and speaker).

B) Research Paper

A comprehensive Research Paper, 15 to 20 pages in length, on a topic of interest to you that is first approved by the AP Mentor.

C) Research Project

A detailed Research Project on a topic and format approved by the AP Mentor.

PRETESTING AND TESTING

Pretesting and testing are associated with each monthly course module to supplement student learning throughout the program.

*STRF is \$2.50 per \$1,000 for all payment plans and is non-refundable. STRF is for California Students only.

HAC REFUND POLICY

Refund and Cancellation Policy

The Student's Right to Cancel

The student has a right to cancel the enrollment agreement and obtain a refund. **A written notice from the student, about the cancellation is required** and should be sent to the address below. For specifics related to your refund, refer to the refund tables according to your State.

State of California

The registration fee and material fee are nonrefundable. The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later. There will be no refund if the student decides to withdraw after 60% of the classes (attendance of the 7th class) or online modules (accessed 7th online module).

Each in person Intensive covers the content of one online module. Refund Requests will be processed based on in person Intensives and online modules accessed (whichever is greater).

A written notice from the students, about the cancellation will be required. The refund will be processed within 30 days from the day KAA receives the official written notice of cancellation from the student. The refund check will be mailed to the official address of the student. If original payment is by credit card the refund will be processed on the credit card.

Eligible refunds will not include the applicable interest during the enrollment period. In case the student decides to withdraw during the program, before the 60% of the classes are over, the following will be the refund calculation:

Refund calculation within the first seven days after enrollment or prior to November 6, 2022

Step 1 Deduct \$100 (registration) and from the total tuition paid

Step 2 Remainder is tuition refund due

Example: Student paid \$3850 at the time of enrollment

Step 1 \$3,750 - \$100 \$3,650.00

Total refund will be \$3,650.00

Refund calculation seven days after enrollment or after November 6, 2022

Step 1 Deduct \$100 (registration) from the total tuition paid

Step 2 Divide the total tuition paid by 6 (number of modules) = 'tuition per module'

Step 3 Multiply number of classes attended or modules accessed in elearning by 'tuition per module'

Step 4 Subtract the amount in step 3 from the amount in step 1. This is the refund amount.

Example: if the student decides to withdraw after completing 3 in person intensives or live streaming and if they have paid the full tuition, the refund will be as follows:

Step 1 \$3,750 - \$100 \$3,650.00

Step 2 \$3,650 / 6 \$608.00

Step 3 3 classes / live streaming * \$608 \$1,824.00

Step 4 \$3,650 - \$1,826 \$1,826.00

Total refund will be: \$1,826.00

Refunds will be issued within 30 days of the date of student notification, or date of school determination (withdrawn due to absences or other criteria as specified in the school catalog), or

in the case of a student not returning from an authorized Leave of Absence (LOA), within 30 days of the date the student was scheduled to return from the LOA and did not return.

State of Washington (For Students not living in California)

Five-Day Cancellation: An applicant who provides written notice of cancellation within five days (excluding Saturday, Sunday and federal and state holidays) of signing an enrollment agreement is entitled to a refund of all tuition paid. No later than thirty (30) days after receiving the notice of cancellation, the school shall provide a 100% refund of tuition and fees paid.

Other Cancellations: An applicant requesting cancellation more than five days after signing an enrollment agreement and making an initial payment, but prior to entering the school, is entitled to a refund of all monies paid (*minus the registration fee of \$100*).

Rejection: An applicant rejected by the school is entitled to a refund of all monies paid.

Refund Policy Defined - WA

The school must refund all money paid if the applicant is not accepted. This includes instances where a starting class is canceled by the school. The school must refund all money paid if the applicant cancels within five business days (excluding Sundays and holidays) after the day the contract is signed or an initial payment is made, as long as the applicant has not begun training.

The school may retain an established registration fee equal to ten percent of the total tuition cost, or \$100, whichever is less, if the applicant cancels after the fifth business day after signing the contract or making an initial payment. A “registration fee” is any fee charged by a school to process student applications and establish a student record system.

If training is terminated after the student enters classes, the school may retain the registration fee plus a percentage of the total tuition as described as follows:

IF THE STUDENT COMPLETES THIS AMOUNT OF TRAINING:	THE SCHOOL MAY KEEP THIS PERCENTAGE OF THE TUITION COST:
One week or up to 10%, whichever is less (attended 1st class or accessed 1st online module)	10%
More than one week or 10% whichever is less but less than 25% (attended 2nd class or accessed 2nd online module)	25%
25% through 50% (attended 3rd class or accessed the 3rd online module)	50%
More than 50% (no refund issued after attending 4th class or accessing 5th or 6th online module)	100%

When calculating refunds, the official date of a student’s termination is the last day of recorded attendance:

When the school receives notice of the student’s intention to discontinue the training program; or,

When the student is terminated for a violation of a published school policy which provides for termination; or,

When a student, without notice, fails to attend two consecutive in person Intensives or fails to access online modules for ninety calendar days.

All refunds must be paid within 30 calendar days of receiving a completed and signed Kerala Ayurveda official refund request form and the student's official termination date.

Eligible refunds will not include the applicable interest during the enrollment period.

Example: if the student decides to withdraw after completing 2 classes or after accessing the 4th online module and if they have paid the full tuition, the refund will be as follows:

Step 1	\$3,750 - \$100	\$3,650.00
Step 2	2 of 6 classes attended or modules accessed online 2/6	33%
Step 3	25% through 50% completion = KA retains 50%	\$1,875.00
Step 4	\$3,850 - \$1,875	\$1,875.00

Refund and Cancellation Policy

The Student's Right to Cancel

The student has a right to cancel the enrollment agreement and obtain a refund. **A written notice from the student, about the cancellation is required** and should be sent to the address below. Please email a copy of that letter to support@keralaayurveda.us. For specifics related to your refund, refer to the refund tables according to your State.

Student Services
Kerala Ayurveda Academy
691 S Milpitas Blvd Ste 206 Milpitas, CA 95035

State of California

The registration fee and material fee are nonrefundable. The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class, or the seventh day after enrollment, whichever is later. There will be no refund if the student decides to withdraw after 60% of the classes (attendance of the 7th class) or online modules (accessed 7th online module).

Each in person Intensive covers the content of one online module. Refund Requests will be processed based on in person Intensives and online modules accessed (whichever is greater).

A written notice from the students, about the cancellation will be required. A telephone call about cancellation or absenteeism for the classes will not be considered as true cancellation. In such cases, the student will not receive the refund for that period. The refund will be processed within 30 days from the day KAA receives the official written notice of cancellation from the student. The refund check will be mailed to the official address of the student. If original payment is by credit card the refund will be processed on the credit card.

Eligible refunds will not include the applicable interest during the enrollment period.

In case the student decides to withdraw during the program, before the 60% of the classes are over, the following will be the refund calculation:

Refund calculation within the first seven days after enrollment or prior to November 6, 2022

Step 1 Deduct \$100 (registration) from the total tuition paid

Step 2 Remainder is tuition refund due

Example: Student paid \$7600 at the time of enrollment

Step 1 \$7,600 – \$100 \$7,500.00

Total refund will be: \$7,500.00

Refund calculation seven days after enrollment or after November 6, 2022

Step 1 Deduct \$100 (registration) from the total tuition paid

Step 2 Divide the total tuition paid by 11 (number of modules) = 'tuition per module'

Step 3 Multiply number of classes attended or modules accessed in elearning by 'tuition per module'

Step 4 Subtract the amount in step 3 from the amount in step 1. This is the refund amount.

Example: if the student decides to withdraw after completing 3 in person intensives or live streaming and if they have paid the full tuition, the refund will be as follows:

Step 1 \$7,600 – \$100 \$7,500.00

Step 2 \$7,500 / 11 \$682.00

Step 3 3 classes/live streaming * \$682 \$2,046.00

Step 4 \$7,500 – \$2,046 \$5,454.00

Total refund will be: \$5,892.00

Refunds will be issued within 30 days of the date of student notification, or date of school determination (withdrawn due to absences or other criteria as specified in the school catalog), or in the case of a student not returning from an authorized Leave of Absence (LOA), within 30 days of the date the student was scheduled to return from the LOA and did not return.

State of Washington (For Students not living in California)

Five-Day Cancellation: An applicant who provides written notice of cancellation within five days (excluding Saturday, Sunday and federal and state holidays) of signing an enrollment agreement is entitled to a refund of all tuition paid. No later than 30 days after receiving the notice of cancellation, the school shall provide a 100% refund of tuition and fees paid.

Other Cancellations: An applicant requesting cancellation more than five days after signing an enrollment agreement and making an initial payment, but prior to entering the school, is entitled to a refund of all monies paid (*minus the registration fee of \$100*).

Rejection: An applicant rejected by the school is entitled to a refund of all monies paid.

Refund Policy Defined - WA

The school must refund all money paid if the applicant is not accepted. This includes instances where a starting class is canceled by the school. The school must refund all money paid if the applicant cancels within five business days (excluding Sundays and holidays) after the day the contract is signed or an initial payment is made, as long as the applicant has not begun training.

The school may retain an established registration fee equal to ten percent of the total tuition cost, or \$100, whichever is less, if the applicant cancels after the fifth business day after signing the contract or making an initial payment. A “registration fee” is any fee charged by a school to process student applications and establish a student record system.

If training is terminated after the student enters classes, the school may retain the registration fee plus a percentage of the total tuition as described as follows:

IF THE STUDENT COMPLETES THIS AMOUNT OF TRAINING:	THE SCHOOL MAY KEEP THIS PERCENTAGE OF THE TUITION COST:
One week or up to 10%, whichever is less (attended 1 st class or accessed 1 st online module)	10%
More than one week or 10% whichever is less but less than 25% (attended 2 nd class or accessed 2 nd online module)	25%
25% through 50% (attended 3 rd class or accessed the 3 rd online module)	50%
More than 50% (no refund issued after attending 6 th class or accessing 6 th , 7 th , 8 th , 9 th , 10 th or 11 th online module)	100%

When calculating refunds, the official date of a student's termination is the last day of recorded attendance:

- When the school receives notice of the student's intention to discontinue the training program; or,
- When the student is terminated for a violation of a published school policy which provides for termination; or,
- When a student, without notice, fails to attend 2 consecutive in person intensives or, fails to access online modules for ninety calendar days.

All refunds must be paid within thirty calendar days of receiving a completed and signed Kerala Ayurveda official refund request form and the student's official termination date.

Eligible refunds will not include the applicable interest during the enrollment period.

Example: if the student decides to withdraw after completing 2 classes or after accessing the 4th online module and if they have paid the full tuition, the refund will be as follows:

Step 1	\$7,600 – \$100	\$7,500.00
Step 2	4 of 11 classes attended or modules accessed online 4/11 36%	
Step 3	25% through 50% completion = KA retains 50%	\$3,750.00
Step 4	\$7,500 - \$3,750	\$3,750
		Total refund will be: \$3,750

Student Tuition Recovery Fund (STRF)

FEE (NON-REFUNDABLE) – STATE OF CALIFORNIA

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd. Ste 225, Sacramento, CA 95834, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

- The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
- You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120-day period before the program was discontinued.
- You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a

significant decline in the quality or value of the program more than 120 days before closure.

- The institution has been ordered to pay a refund by the Bureau but has failed to do so.
- The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
- You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
- You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

FEE – STATE OF WASHINGTON

Academy Policies

FOR ALL PROGRAMS

DIVERSITY & RELIGIOUS ACCOMMODATION

Kerala Ayurveda Academy encourages diversity and accepts applications from all minorities. Kerala Ayurveda Academy does not discriminate on the basis of race, creed, color, national origin, sex, veteran or military status, sexual orientation, or the presence of any sensory, mental, or physical disability or the use of a trained guide dog or service animal by a person with a disability. Kerala Ayurveda Academy acknowledges that information pertaining to an applicant's disability is voluntary and confidential and will be made on an individual basis. If this information is presented, Kerala Ayurveda Academy will reasonably attempt to provide an accommodation to overcome the effects of the limitation of the qualified applicant. All inquiries about accommodations should be made to the admissions administrator upon registration of the program.

Kerala Ayurveda Academy will make good faith efforts to provide reasonable religious accommodations to students who have genuinely held religious practices or beliefs that conflict with a scheduled program requirement. Students requesting a religious accommodation should make the request, in writing, directly to Student Support (support@keralaayurveda.us) with as much advance notice as possible. Absence from class does not excuse students from keeping up with any information shared or expectations set during the missed class. Students are

responsible for reviewing the class recording and obtaining information provided during any class missed. The student shall work with their assigned Student Mentor to determine a schedule for making up missed work.

Examples of religious accommodations made by KAA may include rescheduling of an exam or giving a make-up exam for the student in question; altering the time of a student's presentation; allowing extra-credit assignments to substitute for missed class work or arranging for an increased flexibility in assignment due dates; and releasing a graduate assistant from teaching or research responsibilities on a given day.

SPECIAL ACCOMMODATIONS

Kerala Ayurveda Academy is required to provide necessary accommodations to provide students with disabilities an equal opportunity for participation in the program. Requests For Reasonable Accommodation ASNT is committed to providing qualified students with disabilities an equal opportunity to access the benefits, rights and privileges of school services, programs, and activities in compliance with the American with Disabilities Act and Section 504 of the Rehabilitation Act of 1973. Students who believe they need accommodations should contact Student Support at +1 (888) 275-9103 x20 or support@keralaayurveda.us. Students with a documented disability must provide a current (within three years) document stating the disability and requested accommodations. This must be done prior to the start of the program. If you should develop a disability, condition, or illness while in school, KAA will work with you to accomplish your goal of completing your program.

ATTENDANCE POLICY

Kerala Ayurveda Academy accepts a limited number of students for in person attendance in the live class at 691 S. Milpitas Ave #206, Milpitas, CA. Student attendance is limited to 45 individuals. The instructor to student ratio is 1:45.

Attendance is monitored both in person and during live streamed sessions.

Holistic Ayurvedic Coach (HAC)

All Online and Hybrid students must attend 105 hours of in person and/or live synchronous sessions together (live synchronous refers to live streaming attended in real time). *There is a total of 149 available in person and/or live synchronous hours.*

All Students must attend a minimum of 180 live synchronous sessions (live synchronous refers to live streaming attended in real time).

Hybrid Track students who want to transition to NAMA Track must attend 85 additional hours of in person training (see *Transition to NAMA Track*).

MAKE-UP AND RETAKE POLICY

If a student is absent from an in person or live streamed session, they may make it up at any KAA training location or via live streamed session, free of charge. If a student wishes to retake an in person session, they may do so for a fee of \$50 per day. To make arrangements for all make-up or retake sessions, please contact Student Support at support@keralaayurveda.us.

PRACTICAL IMMERSION POLICIES

The Practical Immersions occur twice per year. Students are encouraged to attend each Immersion with their respective class, but in the event that they cannot make it, they can attend the next class session, pending availability.

Each Practical Immersion is scheduled in association with a specific AHC or AP Weekend Intensive and is designed to provide optimal hands-on learning to complement the curriculum up to the date of the Immersion. Priority registration is initially limited to students from that Practical Immersion's respective AHC/AP session. After the priority registration deadline ends, students & alumni from previous AHC/AP sessions can register.

Practical Immersion Attendance

Students who are unable to attend the Practical Immersion during your program, you may attend a future Immersion within a year after the end date of your program at no additional charge.

Transition to NAMA Track

Within 1 year of program end date: All Online and Hybrid Students who attended the Practical Immersion online and who wish to transition to the NAMA Track may attend a future Immersion after the end date of their program, at no additional charge. This is valid for up to one year.

After 1 year from program end date: All Online and Hybrid Students who decide to attend an Immersion beyond the one-year limit are responsible for a nonrefundable fee of \$160 per day.

Students are responsible to inform Student Support Services (support@keralaayurveda.us) via email of their intent to attend in-person Immersions at least 90 days in advance. Payment is required to confirm your reservation.

Retake Fee

Within 1 year of the program end date: All students who attended the Practical Immersion online or in person and who wish to retake the Practical Immersion online or in person may attend a future Immersion, are responsible for a nonrefundable fee of \$50 per day.

After 1 year from program end date: All students who attended the Practical Immersion online or in person and who wish to retake the Practical Immersion online or in person may attend a future Immersion, are responsible for a nonrefundable fee of \$160 per day.

Registration Requirements

Online students - Current Students: Student Support Services will request Current Students to confirm their online attendance in advance.

In person registration - Current Students: Current Students in a program who plan to attend the Immersion in person are responsible to inform Student Support Services (support@keralaayurveda.us) via email of their intent to attend their assigned Immersions at least 90 days in advance to guarantee placement.

In person registration - Retake or NAMA Transition Students: Students who plan to retake the Immersion online or in person are responsible to inform Student Services via email of their intent to attend and in which track. If payment is required, it is due to confirm the registration and guarantee placement. Immersion retake payments are nonrefundable but transferrable to another Immersion.

CONDUCT

At KAA, programs are directed toward professional training. The students shall show respect to others and observe correct standards of conduct. The Honor System embodies values of personal integrity, honesty, and trust.

Fundamental to the Honor System is the Honor Code of Responsibility, and it is upon its principles that the Academy has based the Standards of Conduct.

Honor Code of Responsibility

- Each member is responsible for maintaining a high level of civility, integrity, honesty, and trust within the community.
- Each student is responsible for presenting work of her/his own creation and refraining from representing as her/his own work that which is not hers/his.
- Conduct in keeping with the attendance policies.

Nothing in the policy prevents the student from contacting the Washington Workforce Board at 360-709-4600 at any time with a concern or complaint.

TERMINATION POLICY

- If the course is terminated after the student begins classes, the Academy may retain a percentage of the total tuition as described in the Refund Policy.
- The official date of termination of a student shall be the last date of recorded attendance when withdrawal occurs in any of the following manners:
- When the student is terminated for a violation of a published Academy policy which provides for termination; or,
- When a student, without notice, either fails to attend classes, view recordings or access content in the elearning for thirty (30) calendar days.
- A student will be determined to be withdrawn from the institution if the student has not attended any class for three consecutive class weekends. They will be notified by telephone after two missed weekend classes and they will be dropped after the third weekend.
- For a student who is on authorized Leave of Absence, the withdrawal date is the date the student was scheduled to return from Leave and failed to do so.

SUSPENSION AND DISMISSAL POLICY

There are disciplinary guidelines to provide an environment to learn and grow independently, which give students rights and responsibilities.

- Any behavior disruptive to other students or the smooth running of the class will not be allowed.
- Students will have to pay the tuition on time; this includes one-time fees and payment plans.
- Students have to maintain a passing grade of 70%.

For behavioral issues: At first incidence, warning will be given. At the second incidence, the student will be suspended for the entire weekend. A student will be readmitted after a suspended weekend. If the behavior persists, the student will be dismissed from the program. When the conduct of the student threatens the other student's safety, KA reserves the right to dismiss a student immediately.

For nonpayment issues: verbal and written warnings will be sent from Student Support Services. After 3 attempts and no response from the student, the student will be immediately suspended.

A Suspension is defined as when the student's learning account is deactivated, and the student is withdrawn from their program.

LENGTH OF TIME FOR STUDENT TRAININGS

HAC Students are expected to complete the program prior to the date listed in the schedule, however they can take an additional 6 months to complete for a total of 12 months. **AHC** Students are expected to complete within 1 year, however they can take an additional 6 months to complete

for a total of 18 months. **AP** Students are expected to complete within 1.5 years, however they can take an additional 12 months to complete for a total of 2.5 years.

If you have not completed within this time frame you will be considered on sabbatical for a maximum of 6 months. If after the extended time you do not complete your program, you are considered dropped. You will need to complete a new enrollment agreement and reapply for the program.

Contact Student Support Services at support@keralaayurveda.us or +1 (888) 275-9103 x20

*You may contact the school for extenuating circumstances.

STUDENT SABBATICAL (LEAVE OF ABSENCE)

If a student has circumstances that prevent them from continuing the program as originally planned, they may apply for a Sabbatical. The Sabbatical will be requested by the student to the Student Support Office at support@keralaayurveda.us. The office will then send a form for the student to complete and sign.

A one-time sabbatical will be allowed for the student with the provision that they will come back after a maximum of 1 year, or before. With permission from the school, the student will be allowed to resume attending classes in the next class at the level where the sabbatical was initiated.

During the Sabbatical, all access to future classes will be removed from the student's account; however, they will retain access to the modules they have completed in the elearning.

If the student is on a payment plan and wishes to suspend the plan for the duration of the sabbatical, they will have to pay a \$25/month administrative fee (non-refundable, not part of tuition); otherwise, they can continue paying their payment plan per their schedule.

RESUMING THE PROGRAM (RE-ENGAGING)

To resume the program, a student must notify the school (Student Support Services at support@keralaayurveda.us or +1 (888) 275-9103, ext. 20) of his or her intention to resume classes and be in good academic and financial standing. They will need to fill out a new Enrollment Form for the semester they are restarting. It is not necessary for a student to retake any previously completed classes if the course of study resumes within the 12 months from the beginning of the Sabbatical.

When an agreed-upon Sabbatical has expired, a student must return to the program or be automatically withdrawn. In the latter case, a student will need to apply for readmission to a new class at the tuition rate in effect at that time. This is also the case if a student chooses to withdraw rather than go on a Sabbatical. See "Refund Policy for Withdrawal" below for further information on withdrawals.

FINANCIAL AID

Kerala Ayurveda Academy does not offer state or federal financial aid to students. If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay

the full amount of the loan plus interest, less the amount of any refund. If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

If a student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

“Notice - Any holder of this consumer credit contract is subject to all claims and defenses that the debtor could assert against the seller of the goods or services obtained pursuant hereto or with the proceeds hereof, recovery hereunder by the debtor shall not exceed amounts paid by the debtor hereunder.”

“Kerala Ayurveda Academy does not have a pending petition in bankruptcy, is not operating as a debtor in possession, has not filed a petition within the preceding five years, and has not had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11USC. Sec. 1101 et seq.).”

ENGLISH AS A SECOND LANGUAGE & FOREIGN STUDENTS

Foreign students are accepted, however, KAA courses are instructed in English and KAA does not offer English as a second language. Foreign students are required to have proof of English proficiency with a passing score of minimum 80% on the TOEFL exam for enrollment. Visa services are not provided, and Kerala Ayurveda Academy will not vouch for student status and any associated charges.

RECORD RETENTION

All records concerning the Kerala Ayurveda Academy are kept for fifty years after student's completion, withdrawal or termination, with the exception of transcripts which are kept permanently. TRANSFERRING OF CREDITS & CREDENTIALS

"NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT KERALA AYURVEDA ACADEMY. The transferability of credits you earn at Kerala Ayurveda Academy is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn for any KAA program is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you seek to transfer after attending Kerala Ayurveda Academy to determine if your certificate will transfer."

KAA has not entered into an articulation or transfer agreement with any other college or university.

Transfer credit may be awarded for applicable coursework of comparable programs completed at other accredited or state approved/licensed institutions once verified by the Academy Manager and approved by the Director. Up to 70% of credit hours for KAA may be transferred. Courses will be considered for transfer credit if relevant to the certificate program and completed with a grade of B or higher, or the equivalent if another grading system was used. Prerequisite and corequisite courses must meet the criteria set forth by KAA. Application and official transcripts must be submitted for all transfer credit approval.

EXPERIENTIAL CREDIT

There is no credit granted for experiential learning.

FAQ

FREQUENTLY ASKED QUESTIONS

How much does the program cost?

- The tuition for each program is as follows:
- Holistic Ayurvedic Coach (HAC): \$3,750
- Ayurvedic Health Counselor (AHC): \$7,500 + the tuition for the AP Clinical Internship.
- Ayurvedic Practitioner (AP): \$8,950 + the tuition for the AP Clinical Internship. See the AP Clinical Internship section for tuition rates.
- Note: tuition does not include registration and management fees. See Tuition and Fees for each program for details.

If I enroll for AHC, will I get a HAC certificate?

- Yes, since AHC covers all the curriculum of HAC within the AHC, you will be eligible to receive the HAC training once all the requirements are completed.

Are the programs approved by the National Ayurvedic Medical Association (NAMA), and how do I get my NAMA membership?

- The HAC program is outside of the NAMA competencies and not eligible for NAMA membership application.
- The AHC and AP programs provide a NAMA Track designed to meet program competencies set forth by NAMA. For eligibility to take the NAMA Board exam as a Level I – Ayurvedic Health Counselor or Level II – Ayurvedic Practitioner, students must complete the NAMA Track of KAA's respective programs. Completion of KAA's programs does not guarantee NAMA professional membership. KAA offers program certificates which provide eligibility for the NAMA Board Exams. Upon passing the Board Exam, individuals may apply for NAMA professional membership. For more information, please contact NAMA directly.

Do I need a college degree or a prior license/certification to study Ayurveda?

- No.
- KAA welcomes students from all educational backgrounds, with degrees, licenses or certifications in any field.
- Ayurvedic studies are especially complimentary to Certified/Licensed Practitioners in a health-related fields including Yoga, Yoga Therapy, Massage Therapy, Chiropractic, Nursing, Naturopathy and Allopathic Medicine, etc.

I'm not a healthcare professional. Can I still earn a certificate and practice Ayurvedic medicine?

- Yes! The minimum admissions requirement for our Ayurvedic Trainings is a high school diploma or equivalent.
- For AHC and AP applicants only, a Basic Anatomy and Physiology credit is also required. If you have not taken Anatomy and Physiology, you can finish the requirement within six (6) months of your start date. Kerala Ayurveda also offers an Anatomy & Physiology course. Inquire with Student Services for more information.

Is it legal to practice Ayurveda in all fifty states?

- A bill has been passed in eleven states (Arizona, California, Colorado, Idaho, Louisiana, Maine, Minnesota, Nevada, New Mexico, Oklahoma, Rhode Island) allowing the residents of those states to approach the non-licensed healing practitioners with informed consent.

Does each state regulate the practice of Ayurvedic sciences?

- No.
- Ayurvedic practitioners are not licensed in the United States, and its practice is not regulated by state or federal agencies. Standards of competency are set by individual schools that have received state approval. Ayurvedic practitioners in the United States are advised on how to practice legally within a limited scope of practice so they are not viewed as practicing medicine without a license.
- We might say that Ayurveda's current status in the US is analogous to the Chinese medical profession during its early years in the 1970s. While each state does not regulate

the practice of Ayurvedic medicine itself, some aspects of Ayurvedic practice may fall within the scope of professions that are regulated. Students and graduates of the academy should be careful not to allow their practice to overlap one of those regulated professions unless they are licensed in that particular profession. Please contact your local state representative for more information about regulations in your area.

Can I practice Ayurveda outside of the state where I receive my training?

- Yes, Ayurveda is currently practiced all over the United States.
- While none of the US states currently have Ayurvedic practitioners or physicians as primary care physicians, many of these well-trained professionals utilize their education and skills in combination with other health care related credentials. Yoga Instructors, Massage Therapists, Registered Nurses, Nutritionists/Dietitians, Acupuncturists, Chiropractors, Medical Doctors and other health care professionals are recognizing and utilizing the benefits of educational training in Ayurveda.
- NAMA is currently working on developing educational standards, scope of practice, and related materials to support future licensing initiatives throughout the US.
- Many Academy graduates use their Ayurvedic education to enhance pre-existing professional careers.

Is there an Ayurvedic association which links other practitioners and students together?

- Yes, there is the National Ayurvedic Medical Association (NAMA). Many states have their own state associations such as the California Association of Ayurvedic Medicine (CAAM).

Is there an alumni association? Can I contact previous students?

- Once enrolled in our programs, students are welcome to join our private Student and Alumni Facebook group for community discussion and networking.
- Upon request, KAA can provide contact information of students for networking or informational purposes. Many of our students and alumni are happy to talk to prospective students and share their experiences.
- KAA has an online database for alumni services and information to assist community interaction and promote alumni practices to the public.

How many of your graduates' practice Ayurvedic medicine?

- All of our graduates are able to practice Ayurveda in their everyday lives for personal health. An understanding of Ayurvedic principles enriches the quality of life in all aspects, not just physical well-being. The study of Ayurveda is truly a healing transformation during which students find a new level of emotional, mental and spiritual Life. Additionally, graduates often change career paths or discover novel ways to apply their new Ayurvedic knowledge to their existing profession.
- There are many ways our students utilize their Ayurvedic education. Some of our students launch a practice as Ayurvedic Coaches or Practitioners.

- Many of our graduates incorporate Ayurvedic knowledge in their current practice as healers, such physicians, nurses, yoga teachers and massage therapists. Ayurveda complements all other healing modalities.

Are there tests? I feel anxious about taking tests.

- Please try not to feel anxious about the tests. Monthly testing is conducted online in our elearning system at the student's pace. There are (5) attempts available for taking the test, and the highest score is recorded. The tests provide the student and the academy an opportunity to verify learning benchmarks are achieved for successful course progress.

What materials do I need to bring to class and what should I expect in the classroom?

- A notebook and writing implement. KAA will provide classroom facilities and course manuals. The classes are taught in traditional, clean, well-lit classroom settings with tables and chairs for your comfort.

Are there books for the class and what do they cost?

- Digital copies of our course manuals are included in tuition for all programs.
- Print manuals are available at an additional cost. See individual Program Tuition and Fees for more information.

When can I visit the school? Do you have open houses or visitor's events?

- We allow our prospective students to sit in with the current class, so that they get a feel of the classroom setting and the topic. With a prior appointment, students are welcome to visit the academy and talk to the Academy Administrator. We are here to assist our students in any way we can.

What student services are provided?

- Student mentoring is supported throughout the entire term of the program. On occasion, KAA posts job openings as they become available on group emails to students and alumni. KAA will do its best to help graduates to get into practice or a related career but there are no specific student services for career planning or job placement.

I will be traveling from out of town to attend classes. Is there housing assistance available?

- KAA does not have dormitories. There are a few hotels near the campus where students can book a room for the weekend. The range of cost is approx. \$75-\$125. In the past, some students have made good friends with classmates and stayed with them on those weekends. KAA has no responsibility to assist a student in finding housing.

What should I do for meals during class times?

- For students attending on-site, complementary water and tea is available at our center. Classes are scheduled between 8:00am-6:00pm US Pacific Time. A 1-hour lunch break is provided. Students may bring lunch and are welcome to eat in our

classroom. A breakroom is available in the building with a refrigerator, sink and microwave. KAA can provide recommendations for local restaurants.
